REGION II  
*Behavioral Health Board*

Community needs questions:

“what resources ARE available or what people use for resources so we can supplement or support that?  
Building on strengths you know”

“1. Please describe your current involvement with mental health services:

Provider/Counselor

Provider/Medical

School District

Consumer

2. How many times per week do you work with a youth in a mental health crisis?

Daily

Weekly

Monthly

Never

3. When you have a youth in a mental health crisis where do you refer?”

“In your view, what are the two greatest areas of concern for the mental/behavioral health of our children and youth in Region 2?

What training would you identify as most urgently needed in Region 2 with regard to the mental/behavioral health needs of our children and youth?

How far are you regularly traveling on a monthly bases to get your children/youth to the mental/behavioral health services they need?

Would you consider accessing mental/behavioral health services for your child/youth by Telehealth?

How do you get information about mental/behavioral health treatment options for your children or youth?
