

SFY 20 Gaps and Needs Analysis

Sub-Committee/Topic	Needs/Barriers	Goal	Timeline to Accomplish Goals <i>(If goal has been identified, but deferred to a subsequent year, please enter "Deferred")</i>	Action Plan (optional)	Accomplishments	Goal Achieved
Adult Behavioral Health						
	Engaging Sheriff and prosecutors office in CIT	Increase the participation from local law enforcement. Increase the % of trained officers within our region who utilize de-escalation techniques.	2021	Sent out a survey to local law enforcement within the region to identify the most appropriate training method to increase participation. Develop training curriculum based off survey results.		
	Competency restoration for misdemeanor's and individuals struggling while incarcerated	Working in an outpatient setting to complete restoration. Work to identify supportive housing that could support this outpatient restoration.	2021	Collaborate with the housing committee to identify resources.		
	Need more Senior level DE's and competency evaluators	Increase the number of senior level DE's/competency restorators within our region.	2021	Identify the most effective way to identify psychologists who are intersted in evaluating for the courts. Create an effective advertisement for evaluators.		
	Need: Resource guide/MHU app	MHU app for resources on phones; otherwise (or and) resource guide that is online and easily updateable.		Collaborate with CMH sub-committee to develop resource guide. Collaborate with IHDE and Aunt Birtha to gain information and offer support on their efforts to build a resource guide.		
Children's Mental Health						
	Create an up to date resource guide to include: providers, current research on electronics, new parents, healthy alternatives, local events, school at home	To have an easy to access resource guide for providers and families to identify the resources in the area.	30-Jun-20			
	Day treatment programs	Identify the barriers that are present for agencies interested in providing day treatment program for youth	20-Feb-20			
	A crisis respite facility	To identify a facility and create a contract for crisis respite	Jun-20			
	Barrier: The "YES" program continues to evolve and changes are made regarding access to service and the sevice array	Work with CMH team to provide updates to the Behavioral Health Board about changes to the YES Program.				

SFY 20 Gaps and Needs Analysis

Sub-Committee/Topic	Needs/Barriers	Goal	Timeline to Accomplish Goals <i>(If goal has been identified, but deferred to a subsequent year, please enter "Deferred")</i>	Action Plan (optional)	Accomplishments	Goal Achieved
Housing Committee
