Task: Teresa will update needs/gaps form and send to Sara Bennett.

Subcommittee focus:

- Will focus on the goals/actions we develop around our needs/gaps

Person-specific assignments will be made after we review the completed needs/gaps. Likely at our next meeting.

Open discussion:

- We need to pare down our s/c membership to those who want to be involved, and recruit other members, including people not on the board. We will talk about this during the board meeting today.
 - At board meeting, we added Todd Hurt, Shari Kuther, Tammy Lish-Watson, Mike Ponzozzo. We removed Darrell Keim who is going to concentrate on the Prevention s/c.
- Steve Button was suggested as someone we might try to recruit for this s/c
- What's going on with Medicaid expansion and what is IM Plus? **TASK: Teresa will ask Kent Knigge from Medicaid and Tatjana Mock from Benefits to talk about both of those things. Teresa is also happy to talk about Medicaid expansion from a Regional BH perspective.**
